Tuition Assistance Program

How to Apply for MMI Tuition Assistance Online (For Schools)

Accessing and Completing the Application

1. Once logged in and looking at the school's dashboard, click "Apply" under the toolbar to the left of the screen
2. A blank access code field will appear – enter the code you received from MMI
3. You'll then be taken to the program description page – please read
4. Once finished reading, click the blue Tuition Assistance link at the top of the page
5. You are now ready to begin the application
6. You can save or submit the application at any time by choosing either option at the bottom of the application

*By clicking "Dashboard" (to the left of the screen) you will be taken to a view of your application history.
